*Thanks to Mamie Bender*

Value: priceless

**2041            Great Stories For Kids 5-volume Set**

Written by Jerry D. Thomas, these stories will help kids learn what to watch on television, what to do in emergencies, and how to face unfairness. They'll also learn about dealing with prejudice, about being courteous, about making friends, about dealing with drinking in the family, and many other issues. These books will not only entertain kids—and the adults who read with them—but they will also reinforce some of the things they are learning on their way to becoming healthy adults. The stories and pictures will make you jump back, laugh out loud, and keep you guessing what will happen next. The five-volume set contain 130 stories!

*Thanks to Pacific Press*

Value: \$75
